I love Gamma Phi because it has given me the chance to meet new people and make new friends.

I also really enjoyed taking a Little; it was exciting to write her notes. I even made one like a ransom note and cut out individual letters.

Why did you join Gamma Phi?

I went to a water balloon fight on the Quad as my first recruitment event and I fell in love with all the wonderful girls.

Your Favorite Memory?

What was your favorite Big/Little Experience?

Getting secret notes from my Big, it made me really excited for reveal.

I liked watching my Little [Caitlin Fox] pop balloons to find my name during reveal.

Why did you join Gamma Phi?
